New in the Showrooms

Unique, beautiful and now appearing in New England shops and showrooms

BY ERIN MARVIN

1 This edgy new Graf lamp by Foscarini is part of the Successful Living collection from **Diesel**. Of three lampshade styles, two boast masculine, black-and-white graphic prints that reflect the perspective from a DJ's deck or pilots' cockpit, while a third option is slightly more feminine with a seductive floral theme. **BOSTON, (617) 424-6555, WWW.DIESEL.COM**

2 Just in time for the changing seasons, **Maine Cottage** recently introduced the Ogden collection. The new line of oak furniture—two dressers, a bench, bed, bedside table and mirror—boasts a unique milk-brushed finish within the grain. **YARMOUTH, MAINE, (207) 846-3699, WWW.MAINECOTTAGE.COM**

3 The new, Tibidabo outdoor seating collection from Varaschin, made in Italy and available at **Casa Design Boston**, will leave you feeling quite regal with its tall-back sofa and chair. The powder-coated aluminum frame can be finished in white or black, with a range of fabric grade options for the plush seat cushions. **BOSTON, (617) 654-2974, WWW.CASADESIGNBOSTON.COM**

4 Alape's new Metaphor basins may be slim, but they still make a serious statement in the bathroom. Available at **Billie Brenner, Ltd.**, Metaphor's surface-mounted basins are sleek and seamless, made of glassed-steel construction and available in three widths. They're 100 percent recyclable, too, making them eco-friendly. **BOSTON, (617) 348-2858, WWW.BILLIEBRENNERLTD.COM**

5 This soft, 100 percent baby alpaca throw was one of the new items from **Emma Gardner Design** unveiled at this year's International Contemporary Furniture Fair in New York City. The throw, which measures 54" x 72", is part of a new retail-oriented program called "Emma at Home." **COS COB, CONN., (203) 422-0700, WWW.EMMAGARDNERDESIGN.COM**

6 Now at **D Scale**, this stunning three-piece Mistral sectional by Polaris brings new meaning to modern chic. And not to worry—if you don't trust yourself (or your family) with this creamy-white leather version, Mistral can be custom ordered in a variety of leather and fabric upholstery options in a range of colors. **BOSTON, (617) 426-1055, WWW.DSCALEMODERN.COM**
